

"NICE TO HAVE YOU HERE"

WELCOME TO ALLWEGLEHEN

arrive, feel good & enjoy

..according to this motto we welcome you in our restaurant.
In order to enjoy the hours with your loved ones perfectly, our service team
welcomes you warmly.

The history of our beautiful 'Platzerl':

As early as 1960, the site was converted into a terraced campsite, which officially opened its doors to holiday guests two years later. In 1964, a restaurant was added to the on-site facilities.

In 2005, son Thomas Fendt took over the sole management of the business, and his son Andreas Fendt is now behind the company.

...and so new ideas are constantly being developed to make your holiday with us as unforgettably beautiful and varied as possible.
